Plitvice National Park Tour

Zagreb, Croatia

A magnificent tour any day and any time of the year. This is Croatia's premier National Park and one of the most exciting and beautiful in all of Europe. A must on any visit to Croatia.

Duration of tour: 7 hours

oThe Tour

Plitvice Lakes count among Europe's most beautiful national parks. They are situated in the mountainous region of Lika. A total of 16 lakes lying at different altitudes are separated by travertine barriers and linked by foamy waterfalls and cascades. Their creation is a natural phenomenon. This tour takes you from Zagreb, with a stop at the open air Museum of Homeland War in Turanj. Then before entering the Park there is a chance for a photo-stop at Rastoke and a small preview of what is to come. Here a combination of traditional watermills and waterfalls will take a lot of space on your camera's memory card for sure. If you love nature and if you only take one trip in Croatia you must visit Plitvice, the memories will stay with you forever.
